

Red Deer Eire Og - Gaelic Football Game Day:

05-May-2007 - Red Deer Eire Og, led by the substantial Lavery Family, hosted the Calgary Chieftains in an eventful game day at the Red Deer Titans rugby fields on May 5th last. The Calgary Chieftains, led by Adrian Lagan, and ably supported by the McKiernan & Tuohy's from the sidelines proved just too strong for their newfound opponents on the Alberta GAA scene.

Afterwards the teams hit the Blarney Stone in Red Deer, and raised the ceiling with the impromptu festivities. Here's to more of the same in the coming months.
