

Vancouver - "Play til St. Patricks Day" Mixed 7's League - Results:

16-May-2007 - The Fourth and Final Night of Games in the "Play 'til St. Patrick's Day" League were played out on the Eve of St. Patrick's Day. A large crowd was gathered to Andy Livingston Park to witness a tense couple of Matches. **Kevin's Dream** set the standard, beating the competitive **Burnaby Eagles**, to set themselves atop the Table with 7 pts, out of the possible 10 on offer. That secured a minimum of 2nd place finish for the team led by the inspirational **Kevin Murray**.

Perhaps that result deflated **The Freckles** ambitions, as the title and 2nd spot were now out of reach. Either way the **UBC Students** re-found their form and leapfrogged their opponents into 3rd place in the ladder. **Allan Donohoe** scored off either boot (a goal with his right & a point with his left) to send the Students into the top half of the table.

Munster's faith was in their own hands and like their namesakes in the Heineken Cup, the result was never really in doubt. **The Cougars** fought valiantly, but Munster were simply too clinical. **Erin McGinley** had assembled a top-class, **Tanya St. John** being one of the finds of the season for the Harps.

All 6 competing teams descended on the **Black Frog Bar** in Gastown where the Awards were handed out and the St. Patrick's Day Festivities began in earnest.
